### ***Ed Smart and Ahmad Rivazfar Make Stop in Lincoln as Part of Cross Country Bike Trip to Advocate for Laws to Protect Children from Predators***

**LINCOLN, NE** – On Friday, September 3, 2010, Ed Smart and Ahmad Rivazfar, both parents of child abduction and abuse victims, will travel to Lincoln, Nebraska by bicycle as part of an awareness and fundraising campaign for the Surviving Parents Coalition (SPC) child advocacy initiatives. While in Lincoln, Rivazfar and Smart will stop at Capitol Building Steps located at 1445 K. Street in Lincoln at 4:30 p.m., to meet guests and to share information on how to protect children. From Lincoln, Smart and Rivazfar will ride to Salina, Kan.

The Surviving Parents Coalition consists of 43 members, and is made up of parents of children who were abducted, sexually assaulted, murdered, recovered or are still missing. Through legislative efforts SPC aims to significantly improve public awareness about prevention as well as legislative progress, facilitate hands-on safety education in schools for children through young adults and promote best practices for law enforcement and communities in responding to predatory crimes.

During the stop in Lincoln, Rivazfar and Smart will be joined by Singer/songwriter Jannel Rap whose life changed the moment her sister, Gina Bos vanished after a performance in the city of Lincoln, Neb. National media turned their back on Gina's story because there was no suspect, scandal or intrigue. Rap believes that every missing child and adult are valuable and so in an effort to honor that belief she created "GINA for Missing Persons FOUNDation" in 2001. Rap's goal is to educate the public about missing persons by utilizing many forms of entertainment and media in an effort to find and bring our loved ones home. Gina Bos remains missing.

Rivazfar and Smart, who began their journey on August 21, in Rochester, N.Y., will end on September 22 in Los Angeles, Calif. Other cyclists are welcome to join in on the 3,500-mile journey, which travels through 12 states and 26 cities. The awareness campaign, "*Ride for Their Lives*," seeks to increase public knowledge and raise \$1,000,000 to help advocate for laws that protect children and fight to eradicate predatory crimes Nation wide.

The purpose of this month-long journey is to focus on four main legislative issues surrounding child abuse and abduction cases:

1. **DNA Collection on Felony Arrest** – to lobby for DNA collection on felony arrest, not just on felony conviction. Currently, 24 states have passed some

form of DNA on felony arrest legislation, but there are 26 states that should follow suit. [www.dnasaves.org](http://www.dnasaves.org).

2. **Protect our Children Act of 2008** – a law that gives more resources to the investigation and interdiction of child pornography and exploitation cases.
3. **The Adam Walsh Act** – The Adam Walsh Child Protection and Safety Act, and the Sex Offender Registration and Notification Act set minimum standards for a national sex offender’s registration and notification system.
4. **“Not ONE More Child”** – A Child Safety Education Initiative that educates and empowers children to recognize, avoid, resist, and escape dangerous situations and violence including bullying, assault, abuse and abduction.

In 2010, Nebraska finally passed a law to require DNA for all felony convictions, but there is no law to collect DNA upon felony arrest, at the same time as fingerprints. Strengthening the Nebraska DNA program will assist law enforcement in quickly and accurately identifying perpetrators of violent crimes. Presently, there are 16,480 known sex offenders in the state of Nebraska and 13,361 personal computers that have been identified trading child pornography in a 48 hour period.
